

Lossa Engineering would like to invite you to our first ever open house. Come hang out and see the unveiling of a new bike, talk about old bikes, and look at some pretty girls (provided somebody brings some). The KROQ truck will be on site for your listening pleasure and some food trucks will drop by to feed your hunger. We'll also have some friends on hand so you'll have plenty of cool stuff to check out. We hope to see you there.

OPEN HOUSE

AUGUST 7TH

12:00 PM

TO

5:00 PM

2659 JUNIPERO AVE. SIGNAL HILL, CA 90755
